## Arbital Institutions: Guarding Due Process, Ensuring Efficiency

The primary objective of the arbitral institution is to safeguard due process while ensuring efficiency. Sometimes these two objectives are in tension. How do institutions best ensure that their efforts towards efficiency do not jeopardise the parties' fundamental procedural rights?

### Topics include:

- Constitution of the arbitral tribunal
- Multi-party multi-contract disputes
- Commercial arbitration proceedings involving public entities
- Processes of appeal against arbitral awards

### Confirmed speakers (in alphabetical order):

- **Stefano Azzali**, Milan Chamber of Arbitration;
